

IRAN-CHINA

Virtual Symposium on Nanoscience and Nanotechnology

NANOIRCNCN 2021

Topics:

Nanomaterials,
Nanobiotechnology and Nanomedicine,
Nanoelectronics,
Nanofabrication and Nanocharacterization

Date: March 3 – 4, 2021

Organized by:

UT5

Amirkabir
University of
Technology

Iran University
of Science and
Technology

Isfahan
University of
Technology

1928
K. N. Toosi
University of
Technology

Sharif
University of
Technology

5 Top Iranian Universities of Technology

Iran Nanotechnology
Innovation Council (INIC)

Chinese Academy
of science

Iran China High-tech
Center
伊朗纳米中国中心

Iran National
Science Foundation

National Center
for Nanoscience
and Technology

Fudan
University

Shanghai
University

University of
Tehran

Suzhou Institute of
Nano-Tech and Nano-
Bionics (SINANO-CAS)

IRAN-CHINA

Virtual Symposium on Nanoscience and Nanotechnology

NANOIRCNCN 2021

Date: March 3 – 4, 2021

Speakers

Prof. Yiqiang Zhan

Fudan University

Prof. Faramarz Hossein Babaei

K.N.T. University of Technology

Prof. Shi, Li Yi

Shanghai University

Prof. Ali Bitollahi

Iran University of Science and Technology

Prof. Alireza Moshfegh

Sharif University of Technology

Prof. Seyed Shamsodin Mohajerzadeh

Tehran University

Prof. Mohammad Hossein Enayati

Isfahan University of Technology

Prof. Shuai Yuan

Shanghai University

Dr. Mehdi Karevan

Isfahan University of Technology

Dr. Hamid Omidvar

Amirkabir University of Technology

Dr. Lei Huang

Shanghai University

Dr. Roohollah Bagherzadeh

Amirkabir University of Technology

Ms. Jane Wu

Nanopolis Suzhou

Prof. Zhixiang Wei

National Center for Nanoscience and Technology

Iran Nanotechnology
Innovation Council (INIC)

Chinese Academy
of science

Iran China High-tech
Center

Iran National
Science Foundation

National Center
for Nanoscience
and Technology

Fudan
University

Shanghai
University

University of
Tehran

Suzhou Institute of
Nano-Tech and Nano-
Bionics (SINANO-CAS)
