

IRAN-CHINA

2nd Virtual Symposium on Nanoscience and Nanotechnology

NANOIRCN 2021

October 26 – 27, 2021

as a section of
ChinaNANO 2021

Topics:

- Nanotechnology in renewable energies and environment
- Nanotechnology in bioscience and medicine

Organized by:

Chinese Academy of science

IRAN-CHINA

2nd Virtual Symposium on Nanoscience and Nanotechnology

NANOIRCEN 2021

October 26 – 27, 2021

as a section of

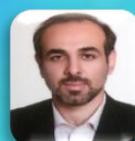

ChinaNANO 2021

Speakers:

Prof. Alireza Moshfegh

Sharif University of Technology

Dr. Roohollah Bagherzadeh

Amirkabir University of Technology

Prof. Mohammad Hossein Enayati

Isfahan University of Technology

Dr. Fatemeh Rahnemaye Rahsepar

University of Tehran, Iran

Dr. Masouneh Haghbin Nazarpak

Amirkabir University of Technology

Dr. Vahid Safarifard

Iran University of Science and Technology

Dr. Vahid Khakyzadeh

K.N. Toosi University of Technology

Dr. Farnoush Faridbod

University of Tehran
